MEMORANDUM

To : C. Mike Doryen  
MANAGING DIRECTOR/FDA

THRU : Gertrude W.K. Nyaley  
TECHNICAL MANAGER/Community Forestry FDA

FROM : Gertrude W. Focko PP JOB  
PLANNING OFFICER/Community Forestry FDA

Subj : NO THIRD PARTY OBJECTION TO SESRR AND PRELIMINARY DEMARCATION  
RESULTS

Date : November 13, 2019

In line with the Regulations to the Community Rights Law, the Forestry Development Authority through the Community Forestry Department posted results of Socio-Economic Survey and Resource Reconnaissance (SESRR) and preliminary demarcation of the **NORMON APPLICANT COMMUNITY FOREST** on October 11, 2019. These results remained posted for thirty(30) days to enable inhabitants and residents of Normon applicant community forest and adjoining communities (or other third parties) express any concern, including objection to the destination of the area in the map as Normon Applicant Community Forest.

No Objection was made or received during the thirty (30) day period which ended on November 11, 2019. The FDA therefore has no objection to investigate or act upon.

Considering this condition of no objection, complaint or disagreement against the designation of the area mentioned in the map and Survey results as Normon Applicant Community Forest, we herein acknowledge the completion of step seven (7) – Third party objections that arise from the posted results of the Survey and Preliminary Demarcation of the required process for the establishment of Community Forest according to Chapter 2 section 2.10 of the Amended Regulations to the Community Rights Law – and recommend that Normon Applicant Community moves to the next step.

Best regards.
